

Taipei hosts IAPCO EDGE Seminar for the third time

With positive feedback received from the previous IAPCO EDGE Seminar Taipei, the city is once again hosting the seminar this year. Inviting meeting professionals and association representatives from Canada, the United Kingdom and Singapore, the faculty will share their real-life experiences along with the latest industry trends.

Making it unique from other training programs in the industry, there are a lot of interactive sessions and in-depth discussion designed for the IAPCO EDGE Seminar. Delegates will be inspired while discussing and exchanging ideas from different points of view. The mix of program content includes bidding, sponsorship, accounting & budgeting, marketing, meeting design, meeting industry trends.

Last year, many overseas delegates were attracted to the seminar, including representatives from Abu Dhabi Convention Bureau, Sarawak Convention Bureau and Thailand Convention and Exhibition Bureau. Here is a highlight video of the seminar last year: <https://vimeo.com/273861734>

Delegates will be given CMP (The Certified Meeting Professional) hours by attending the seminar, in order to improve their competitiveness in the market.
