

airBaltic Celebrates 23 Years in the Air

Riga. The Latvian airline *airBaltic* in October 2018 celebrates its 23rd anniversary since the launch of commercial operations. On October 1, 1995, *airBaltic* operated its first flight ever from Riga to Stockholm with the aircraft SAAB

340.

Martin Gauss, Chief Executive Officer of *airBaltic*: “We have played a central role in connecting Baltics to the world, and we are committed to further improve the air connectivity of each of the Baltic states in the future.”

“By 2025, when *airBaltic* will celebrate its 30th anniversary, we aim to have a single fleet of up to 80 *Airbus A220-300* aircraft. When *airBaltic* began operations, its team consisted of 21 employees. Today, our professional team has grown to 1 500 highly motivated individuals,” Gauss added.

During the past 23 years, *airBaltic* has carried nearly 40 million passengers and performed over 670 000 flights. In October 1995, *airBaltic* started operations from Riga to four destinations. Today *airBaltic* operates direct flights from Riga to over 70 destinations and its fleet has grown to 35 aircraft.

airBaltic serves over 70 destinations from Riga, Tallinn and Vilnius, offering the largest variety of destinations and convenient connections via Riga to its network spanning Europe, Scandinavia, the CIS and the Middle East. For summer 2019, *airBaltic* has introduced three new destinations from

Tallinn to Malaga, Brussels and Copenhagen. In addition, next summer *airBaltic* will launch a new direct route connecting Riga and Stuttgart.
