Ghent Light Festival

Ghent Light Festival will once again light up the city. The first edition was held ten years ago. 32 light art installations to Ghent, which will be put on display at a total of 35 locations. Four of them are the public's favorites from the past 10 years, which will return in a slightly changed form to surprise the public again.The free festival will start every day at 7 pm and will end at midnight. The route does not have a fixed starting point or finish, visitors can start the walk anywhere.
